Medical Assistance

Our multi-lingual professionals are available 24 hours a day to provide help, advice and referrals for medical emergencies. We will help you locate local physicians, dentists, or medical facilities.

Medical Consultation and Monitoring

If you are hospitalized, we will contact you and your treating physician to monitor your condition to assure you are receiving appropriate care and assess the need for further assistance. We will also contact your personal physician and family at home when necessary or requested to keep them informed of your situation.

Medical Evacuation

When medically necessary, we will arrange and pay for appropriate transportation, including an escort, if required, to a suitable hospital, treatment facility or home. Payment for Medical Evacuation is available only for covered claims and up to the amount of coverage provided in the policy. All medical transportation services must be authorized and arranged by One Call. In the event of an unauthorized Medical Evacuation, reimbursement may be limited or coverage may be invalidated.

Emergency Medical Payments

We will assist you in the advancement of funds or guarantee payments (up to the policy limits) to a hospital or other medical provider, if required, to secure your admission, treatment or discharge.

Prescription Assistance

We will assist you with replacing medications that are lost, stolen or spoiled during your Trip, either locally or by special courier.

Repatriation of Remains

In the event of death while on a Trip, we will arrange for the preparation and transportation required to return your remains to your Home.

24 Hour Legal Assistance

If while on your Trip you encounter legal problems, we will help you find a local legal advisor. If you are required to post bail or provide immediate payment of legal fees, we will assist you in arranging a funds transfer from family or friends.
