LEGAL ACTIONS – No legal action for a claim can be brought against the Company until sixty (60) days after the Company receives Proof of Loss. No legal action for a claim can be brought against the Company more than three (3) years after the time required for giving Proof of Loss.

CONTROLLING LAW – Any part of this Certificate that conflicts with the state law where the Certificate is issued is changed to meet the minimum requirements of that law.

GOVERNING JURISDICTION – The insurance regulatory agency and courts of the jurisdiction in which You reside or the group is located shall have jurisdiction over the individual or group insurance coverage as if such coverage or plan were issued directly to You.

You must fully cooperate in the event the Company determines that an investigation of any claim is warranted.

SUBROGATION – To the extent the Company pays for a Loss suffered by You, the Company will take over the rights and remedies You had relating to the Loss. This is known as subrogation. You must help the Company to preserve its rights against those responsible for the Loss. This may involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over Your rights, You must sign an appropriate subrogation form supplied by the Company.

ASSIGNMENT – This Certificate is not assignable, whether by operation of law or otherwise, but benefits may be assigned.

WHEN YOUR COVERAGE BEGINS – Provided:

- (a) coverage has been elected; and
- (b) the required premium has been paid.

All coverage will begin on the Scheduled Departure Date, or the actual departure date if change is required by a Common Carrier, when You depart for the first Travel Arrangement (or alternate travel arrangement if You must use an alternate travel arrangement to reach Your Trip destination) for Your Trip. If coverage is purchased on the Scheduled Departure Date, such coverage will take effect at 12:01 A.M. local time, at Your location, on the day after the Scheduled Departure Date.

WHEN YOUR COVERAGE ENDS – Your coverage will end at 11:59 P.M. local time on the date that is the earliest of the following:

- a) the Scheduled Return Date as stated on the travel tickets;
- b) the date You return to Your origination point if prior to the Scheduled Return Date;
- c) the date You leave or change the Trip (unless due to Unforeseen and unavoidable circumstances covered by the Policy);

- e) the date Your Trip is cancelled;
- f) the time You reach the destination of Your one way Trip.

EXTENDED COVERAGE - Coverage will be extended under the following conditions, should they occur during the journey to the return destination or to a different destination:

(b) If You are unavoidably delayed up to five (5) days in traveling on the Scheduled Return Date due to a reason covered under this Certificate, coverage will be extended for the period of time needed to arrive at the point of origin or to a different final destination.

(c) If: (a) Your entire Trip is covered by the Certificate; and (b) Your return is delayed by an event specified under Trip Cancellation and Interruption or Trip Delay. EXCESS INSURANCE LIMITATION – The insurance provided by this Certificate shall be in excess of all other valid and collectible insurance or indemnity. If at the time of the occurrence of any Loss there is other valid and collectible insurance or indemnity in place, the Company shall be liable only for the excess of the amount of Loss, over the amount of such Other Insurance or indemnity, and applicable Deductible.

The following provisions apply to all benefits except Baggage/Personal Effects and Baggage Delay:

All other claims will be paid to You. In the event You are a minor, incompetent or otherwise unable to give a valid release for the claim, the Company may make arrangement to pay claims to Your legal guardian, committee or other qualified representative.

Any payment made in good faith will discharge the Company's liability to the extent of the claim.

The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid by Other Insurance policies. In no event will the Company reimburse You for an amount greater than the amount paid by You.

NOTICE OF CLAIM – Written notice of claim must be given by the claimant (either You or someone acting for You) to the Company or its designated representative within twenty (20) days after a covered Loss first begins or as soon as reasonably possible. Notice should include Your name, the Travel Supplier's name and the Plan number. Notice should be sent to the Company's administrative office, or to the Company's designated representative.

PROOF OF LOSS – The claimant must send the Company, or its designated representative, Proof of Loss within ninety (90) days after a covered Loss occurs or as soon as reasonably possible. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Subject to due written Proof of Loss, all accrued indemnities for Loss for which this Certificate provides periodic payment will be paid monthly and any balance remaining unpaid upon the termination of liability, will be paid immediately upon receipt of due written proof.

All claims shall be paid within thirty (30) days following receipt by the Company of due Proof of Loss. Failure to pay within such period shall entitle the claimant to interest at the rate of six (6) percent per annum from the thirtieth (30th) day after receipt of such Proof of Loss to the date of late payment, provided that interest amounting to less than one dollar need not be paid. You or Your assignee shall be notified by the Company or designated representative of any known failure to provide sufficient documentation for a due Proof of Loss within thirty (30) days after receipt of the claim. Any required interest payments shall be made within thirty (30) days after the payment.

After the demand, You and the Company will each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the Loss. If they do not agree, they will select an arbitrator. Any figure agreed to by two (2) of the three (3) (the appraisers and the arbitrator) will be binding. The appraiser selected by You will be paid by You. The Company will pay the appraiser they choose. You will share equally with the Company the cost for the arbitrator and the appraisal process.

COORDINATION OF BENEFITS

Applicability

The Coordination of Benefits ("COB") provision applies to This Plan when You have health care coverage under more than one Plan. "Plan" and "This Plan" are defined below.

If this COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another Plan.

The benefits of This Plan:

- (a) will not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another Plan; but
- (b) may be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described further in the section entitled Effect on the Benefits of This Plan.

Definitions

Plan is a form of written on an expense incurred basis that provides benefits or services for, or because of, medical or dental care or treatment. "Plan" includes:

- (a) group insurance and group remittance subscriber contracts;
- (b) uninsured arrangements of group coverage;
- (c) group coverage through HMO's and other prepayment, group practice and individual practice Plans; and
- (d) blanket contracts, except blanket school accident coverages or a similar group when the Policyholder pays the premium.

"Plan" does not include individual or family:

- (a) insurance contracts;
- (b) direct payment subscriber contracts;
- (c) coverage through HMO's; or
- (d) coverage under other prepayment, group practice and individual practice Plans.

This Plan is the parts of this blanket contract that provide benefits for health care expenses on an expense incurred basis.

Primary Plan is one whose benefits for a person's health care coverage must be determined without taking the existence of any other Plan into consideration. A Plan is a Primary Plan if either:

- (a) the Plan either has no order of benefit determination rules, or it has rules that differ from those in the contract; or
- (b) all Plans that cover the person use the same order of benefits determination rules as in this contract, and under those rules the Plan determines its benefits first.

Secondary Plan is one that is not a Primary Plan. If a person is covered by more than one Secondary Plan, the order of benefit determination rules of this contract decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan that, under the rules of this contract, has its benefits determined before those of that Secondary Plan.

Allowable Expense is the necessary, reasonable, and customary item of expense for health care; when the item of expense is covered at least in part under any of the Plans involved.

The difference between the cost of a private Hospital room and a semi-private Hospital room is not considered an Allowable Expense under the above definition unless the patient's stay in a private Hospital room is medically necessary in terms of generally accepted medical practice.

When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered both an Allowable Expense and a benefit paid.

Claim is a request that benefits of a Plan be provided or paid. The benefits claimed may be in the form of:

- (a) services (including supplies);
- (b) payment for all or a portion of the expenses incurred; or
- (c) a combination of (a) and (b).

Claim Determination Period is the period of time that must not be less than twelve (12) consecutive months, over which Allowable Expenses are compared with total benefits payable in the absence of COB, to determine:

- (a) whether other insurance exists; and
- (b) how much each Plan will pay or provide.

For the purposes of this contract, Claim Determination Period is the period of time beginning with the Effective Date of coverage and ending twelve (12) consecutive months following the date of Loss or longer as may be determined by the Proof of Loss provision.

Order of Benefit Determination Rules

When This Plan is a Primary Plan, its benefits are determined before those of any other Plan and without considering another Plan's benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of any other Plan only when, under these rules, it is secondary to that other Plan.

When there is a basis for a Claim under This Plan and another Plan, This Plan is a Secondary Plan that has its benefits determined after those of the other Plan, unless:

- (a) the other Plan has rules coordinating its benefits with those of This Plan; and
- (b) both these rules and This Plan's rules, as described below, require that This Plan's benefits be determined before those of the other Plan.

Rules

This Plan determines its order of benefits using the first of the following rules which applies:

- (a) **Nondependent/Dependent Rule.** The benefits of the Plan that covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan that covers the person as a dependent.
- (b) **Longer/Shorter Length of Coverage Rule.** The benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan that covered that person for the shorter time.

To determine the length of time a person has been covered under a Plan, two Plans shall be treated as one if the claimant was eligible under the second within twenty-four (24) hours after the first ended. Thus, the start of a new Plan does not include: (a) a change in the amount or scope of a Plan's benefits; (b) a change in the entity that pays, provides or administers the Plan's benefits; or (c) a change from one type of Plan to another. The claimant's length of time covered under a Plan is measured from the claimant's first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time the claimant's coverage under the present Plan has been in force.

Effect on the Benefits of This Plan When it is Secondary

The benefits of This Plan will be reduced when it is a Secondary Plan so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than the total Allowable Expenses, not otherwise paid that were incurred during the Claim Determination Period by the person for whom the Claim is made. As each Claim is submitted, This Plan determines its obligation to pay for Allowable Expenses based on all Claims that were submitted up to that point in time during the Claim Determination Period.

Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. The Company has the right to decide which facts are needed. The Company may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts we need to pay the Claim.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, the Company may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable monetary value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by the Company is more than the Company should have paid under this COB provision, the Company may recover the excess from one or more of: (a) the persons we have paid or for whom we have paid; (b) insurance companies; or (c) other organizations.

Non-complying Plans

This Plan may coordinate its benefits with a Plan that is excess or always secondary or that uses order of benefit determination rules that are inconsistent with those of This Plan (non-complying Plan) on the following basis:

- a. If This Plan is the Primary Plan, This Plan will pay its benefits on a primary basis;
- b. if This Plan is the Secondary Plan, This Plan will pay its benefits first, but the amount of the benefits payable will be determined as if This Plan were the Secondary Plan. In this situation, our payment will be the limit of This Plan's liability; and
- c. if the non-complying Plan does not provide the information needed by This Plan to determine its benefits within thirty (30) days after it is requested to do so, the Company will assume that the benefits of the non-complying Plan are identical to This Plan and will pay benefits accordingly. However, the Company will adjust any payments made based on this assumption whenever information becomes available as to the actual benefits of the non-complying Plan.

This Notice of Privacy Practices (the “Notice”) applies to Nationwide¹ and describes the legal obligations of Nationwide, and your legal rights regarding your protected health information held by Nationwide under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). Among other things, this Notice describes how your Protected Health Information (“PHI” as that term is defined below) may be used or disclosed to carry out treatment, payment, or healthcare operations, or for any other purposes that are permitted or required by law.

Nationwide is required by HIPAA and certain state laws to maintain the privacy of your PHI and to provide you with notice of our legal duties and privacy practices with respect to your PHI. We are required to abide by the terms of this Notice so long as it remains in effect. Nationwide reserves the right to change the terms of this Notice and to make the new Notice effective for all PHI maintained by us, as allowed or required by law. If we make any material change to this Notice, we will provide you with a copy of the revised Notice by mail to your last-known address on file.
