SECTION 4 - Claims Procedures and Payment

PAYMENT OF CLAIMS

We, or Our designated representative, will pay a claim after receipt of acceptable proof of Loss. Benefits for Loss of life are payable to Your beneficiary. If a beneficiary is not otherwise designated by You, benefits for Loss of life will be paid to the first of the following surviving preference beneficiaries:

- a) Your spouse;
- b) Your child or children jointly;
- c) Your parents jointly if both are living or the surviving parent if only one survives;
- d) Your brothers and sisters jointly; or
- e) Your estate.

All other claims will be paid to You. In the event You are a minor, incompetent or otherwise unable to give a valid release for the claim, We may make arrangements to pay claims to Your legal guardian, committee or other qualified representative.

All or a portion of all other benefits provided by the policy may, at Our option, be paid directly to the provider of the service(s). All benefits not paid to the provider will be paid to You.

Any payment made in good faith will discharge Our liability to the extent of the claim.

The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid by other insurance policies. In no event will We reimburse You for an amount greater than the amount paid by You.

NOTICE OF CLAIM

Written notice of claim must be given by the Claimant (either You or someone acting for You) to Our designated Program Administrator (Trip Mate, Inc.) within twenty (20) days after a covered loss first begins or as soon as reasonably possible. Notice should include Your name and the policy number. Notice should be sent to Our Program Administrator (see Where To Present a Claim) or to Us.

PROOF OF LOSS

The Claimant must send Us, or Our designated representative, proof of loss within ninety (90) days after a covered loss occurs or as soon as reasonably possible.

OTHER INSURANCE WITH THE COMPANY

You may be covered under only one travel policy with Us for each Trip. If You are covered under more than one such policy, You may select the coverage that is to remain in effect. In the event of death, the selection will be made by the beneficiary or estate. Premiums paid (less claims paid) will be refunded for the duplicate coverage that does not remain in effect.

The following provisions apply to Baggage/Personal Effects and Baggage Delay coverages:

NOTICE OF LOSS

If Your property covered under the policy is lost, stolen or damaged, You must:

- (a) notify Us, or Our authorized representative as soon as possible;
- (b) take immediate steps to protect, save and/or recover the covered property;
- (c) give immediate notice to the carrier or bailee who is or may be liable for the loss or damage;
- (d) notify the police or other authority in the case of robbery or theft within twenty-four (24) hours.

PROOF OF LOSS

You must furnish Our designated Program Administrator (Trip Mate, Inc.) or Us, with proof of loss. This must be a detailed statement. It must be filed with Our Program Administrator or Us, within ninety (90) days from the date of loss. Failure to comply with these conditions shall invalidate any claims under the policy.

SETTLEMENT OF LOSS

Claims for damage and/or destruction shall be paid after acceptable proof of the damage and/or destruction is presented to Us and We have determined the claim is covered. Claims for lost property will be paid after the lapse of a reasonable time if the property has not been recovered. You must present acceptable proof of loss and the value involved to Us.

VALUATION

We will not pay more than the Actual Cash Value of the property at the time of loss. Damage will be estimated according to Actual Cash Value with proper deduction for depreciation as determined by Us. At no time will payment exceed what it would cost to repair or replace the property with material of like kind and quality.

DISAGREEMENT OVER SIZE OF LOSS

If there is a disagreement about the amount of the loss either You or We can make a written demand for an appraisal. After the demand, You and We will each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the Loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding. The appraiser selected by You is paid by You. We will pay the appraiser We choose. You will share equally with Us the cost for the arbitrator and the appraisal process.

BENEFIT TO BAILEE

This insurance will in no way inure directly or indirectly to the benefit of any carrier or other bailee.

Information You Should Know

About This Travel Protection Plan

Q. When should I pay for my Travel Protection Plan?

- A. For coverage with the Pre-Existing Conditions exclusion waived, payment must be received within 14 days of your initial deposit for your trip and you must not be disabled from travel at the time of your plan payment. If you pay for the plan after 14 days, the exclusion for Pre-Existing Conditions will not be waived.

Please Note: Payment for the plan cannot be made after your final trip payment. **Exception:** If you are making a new reservation within 90 days of departure, payment for this plan may be made at time of booking only.

Q. What happens if I must cancel my trip because I'm ill or injured?

- A. The travel protection plan covers you if you must cancel your trip due to a covered sickness or injury. A covered sickness or injury must: 1) commence after your effective date; and 2) in the certified opinion of a treating Physician, prevents your participation in the Trip; and 3) require diagnosis and treatment by a Physician at the time you cancel your trip. **Remember, it is required that you are seen or treated by a Physician prior to canceling your trip.**

Q. If I must interrupt my trip and return home early, what expenses are covered?

- A. If you interrupt your trip for a covered reason, you are entitled to receive the following benefits:
1. unused, non-refundable Land/Sea Arrangements prepaid to the Travel Supplier; and
 2. airfare paid, less the value of applied credit from an unused return travel ticket: a) original destination; b) to return You to the return destination of the Trip as specified in the original travel documents; or c) from the point where You interrupted the Trip to rejoin the Trip.

The plan does cover additional airfare expenses, as noted above, **but does not reimburse** you for the cost of the original air flight arrangements when your trip is interrupted.

Q. What happens if my flight is delayed or canceled?

- A. The Overseas Adventure Travel Travel Protection Plan protects you in several ways. If your flight is delayed or canceled and your arrival on your trip is delayed for 3 or more hours, you will be reimbursed up to a maximum of \$750 for **additional transportation expenses needed for You to join the departed Trip, reasonable accommodation and meal expenses, and non-refundable trip payments for the unused portion of your Trip.**

You will also be reimbursed up to \$150 per day to a maximum of \$750 for any **additional transportation expenses and meals and accommodations** if you incur a delay of 12 hours or more for a covered reason during your trip.

Q. What can I do if I lose my passport or visa close to the departure date of my trip?

- A. Fortunately, passports and visas can often be replaced in a very short period of time. Sometimes as quickly as 24 hours. There are a number of passport service agencies who can provide this expedited service for you.

Q. What happens if my bags do not arrive at my destination when I do? What do I do?

- A. The plan covers all baggage delays of 24 hours or more during your Trip. You will be reimbursed up to \$250 for personal articles you buy (such as toiletries, a change of clothing, etc.). Be sure to keep receipts for anything you purchase.

Your delayed or lost baggage will be tracked for up to one full year, if requested.

Q. If my Baggage is lost, stolen or damaged during my Trip, do I have to file a claim with my homeowner's policy first?

- A. No, the Overseas Adventure Travel's Travel Protection Plan only requires that you report your loss to a responsible party such as a hotel manager, tour guide, transportation official or local police and obtain a written report of your loss and the disposition of your claim with a responsible party.

Q. If I require medical care while on my Trip, are my medical bills covered?

- A. The plan covers medical expenses resulting from an illness or injury during your Trip. If you must be medically evacuated to another facility or home, these costs are covered as well. The Overseas Adventure Travel plan includes the One Call 24-hour worldwide assistance service to help you with medical or legal emergencies during your Trip.

Q. What happens if I have obtained my airline ticket by using loyalty program points?

- A. The Trip Cancellation Benefit does not cover the value of the loyalty program points. However, this plan provides coverage up to \$250 for re-banking fees if you cancel your Trip for a covered reason.

Q. How do I file a claim? Will Overseas Adventure Travel do this?

- A. You must file any claims directly with Trip Mate - not through Overseas Adventure Travel. To obtain claim forms, call 1-800-888-7292, or you can report your claim online at www.tripmate.com.

Q. I haven't received any forms to complete to enroll in this Travel Protection Plan. What is my identification number? Can I get a confirmation of my payment for the plan?

- A. Because this Travel Protection Plan is exclusively for Overseas Adventure Travel, there are no forms to fill out. Your Plan Number, which you should supply when requesting assistance or filing for benefits, is A394B. Your fully-paid invoice is your confirmation of coverage. If you have any questions, call Trip Mate at 1-800-888-7292.

Q. What happens if I cancel my Trip for a reason that is not covered by the protection plan provisions?

- A. We realize that all travel protection plans have exclusions and limitations. That's why we now include the Overseas Adventure Travel Cancellation Waiver Benefit with the Overseas Adventure Travel's Travel Protection Plan.

The Overseas Adventure Travel Cancel For Any Reason Waiver allows you to cancel your Trip for any reason and receive a travel voucher for the amount of any cancellation penalties that apply to any arrangements provided by Overseas Adventure Travel. Travel Vouchers are valid for travel within 12 months of the date of issue, but no later than 15 months from the date your trip was canceled, for travel arrangements with Overseas Adventure Travel. Travel Vouchers are non-transferable and not redeemable for cash.

Q. When does my Trip Cancellation Protection take effect?

- A. Trip Cancellation Protection becomes effective as soon as Overseas Adventure Travel receives payment for the Travel Protection Plan, as listed on your invoice.

Q. What are Pre-Existing Conditions? I was in the hospital a few months ago for tests. Can I still obtain coverage?

- A. The Pre-Existing Conditions definition is detailed within this brochure. You should call Trip Mate for answers to more specific questions. Please remember, if you pay for the plan within 14 days of your initial deposit for your trip and you are not disabled from travel at the time of your plan payment, the exclusion for Pre-Existing Conditions is waived and does not apply. **Note:** Day 1 is the day after the day your initial deposit/payment is received.

Q. Does the Overseas Adventure Travel's Protection Plan cover me before or after a tour or cruise when I am traveling on my own?

- A. If Overseas Adventure Travel provides your air flight arrangements to and from an Overseas Adventure Travel tour you are covered for Accidental Death, Medical Expense/Emergency Assistance, Trip Delay, Baggage and Baggage Delay while traveling on your own. The plan will not cover any travel arrangements that are not provided by Overseas Adventure Travel, except, air flights booked by others and covered under the optional Air Booked by Others coverage if you have purchased this option.

Q. If my Traveling Companion must cancel his or her Trip, am I covered?

- A. A Traveling Companion, as defined under the terms of the Overseas Adventure Travel's Protection Plan, is a person or persons with whom you have coordinated travel arrangements and intend to travel with during your Trip.

If your Traveling Companion, as defined, cancels his or her Trip for a reason covered by the Overseas Adventure Travel's Travel Protection Plan, you are protected in two ways: 1) If you decide to take your Trip, the plan will cover any occupancy upgrade charges which you might incur; or 2) If you decide not to take your Trip, your cancellation penalties will be covered by the plan.

This is a summary of the basic provisions of the Kansas Life and Health Insurance Guaranty Association Act. It is only a summary, and does not provide an in dept analysis of that act. Nothing in this summary modifies the rights of persons who are protected by the act, or the rights or duties of the association.

The purpose of this Kansas Life and Health Insurance Guaranty Association Act is to protect certain individuals who purchase life insurance, annuities or health insurance in Kansas. The act provides for the establishment of a funding mechanism to pay benefits or provide insurance coverage to individuals when a life or health insurance company is unable to meet its obligations by reason of insolvency or financial impairment.

However, not all individuals with a right to recover under life or health insurance policies are protected by the act. An individual is only provided protection when:

1. the individual, regardless of where they reside, except for nonresident certificate holders under group policies or contracts, is the beneficiary, assignee or payee of a covered policy or contractholder,
2. the individual policy or contractholder is a resident of the state of Kansas,
3. the individual is not a resident of the state of Kansas, but only with respect to an annuity contract which has been awarded pursuant to a judgment or settlement agreement in a medical malpractice liability action,
4. the individual is not a resident of the state of Kansas, but only under UaIU of the following conditions:
 - a. the impaired or insolvent insurer was a Kansas domestic insurer; and
 - b. the insurer never had a license to do business in the state in which the individual resides; and
 - c. the state in which the individual resides has an association similar to this state's; and
 - d. the individual is not eligible for coverage by the association of the state in which the individual resides.

Additionally, the association may not provide coverage for the entire amount the individual expects to receive from the policy. The association does not provide coverage for any portion of the policy where the individual has assumed the risk, for any policy of reinsurance, for interest rates that exceed a specified average rate, for employers' plans that are self funded, for parts of the plan that provide dividends or credits in connection with the administration of the policy, for policies sold by companies not authorized to do business in Kansas, for any unallocated annuity contract or for policies or contracts that provide benefits under Medicare Part C or Part D. Also, the association will not provide coverage where any guaranty protection is provided to the individual under the laws of the insolvent or impaired insurer's state of domicile.

The act also limits the amount the association is obligated to pay individuals on various policies to those limits in effect on the date the association became liable for that impaired or insolvent insurer. The association does not pay more than the amount of the contractual obligation of the insurance company. Regardless of the number of policies or contracts the association is not obligated to pay amounts over \$300,000 in life insurance death benefits; \$100,000 in net cash surrender and net cash withdrawal values for life insurance; \$100,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, unless the annuity contract is awarded pursuant to a judgment or settlement agreement in a medical malpractice liability action; or more than \$300,000 in the aggregate for the above coverages with respect to any one life.
